FINANCE (SMPC) DEPARTMENT

G.O.Ms.No. 264

Dated:08.09.2008.

Read the following:-

1. From the Director of Animal Husbandry, Letters Roc. No. 31843/FII/F5/2007, Dated: 22.12.2007 and 16.02.2008.
2. AHDD&F (AH.III) Deptt., U.O. No. 1602/AH.III(2)/08, Dt.29.08.2008.

oOo

ORDER:

1. The Animal Husbandry Dairy Development & Fisheries Department, have stated that in the reference 1st cited the Director of Animal Husbandry has reported that the Animal Husbandry Department operates the Livestock Service delivery system to the benefit of farmers in the State by providing preventive Health Care and Curative Health Care to Livestock. This is operated through 5013 Veterinary Institutions of various categories functioning in the state. They are, (1) Rural Livestock Units in Rural Areas, manned by Para Veterinary Staff, (2) Veterinary Dispensaries, in Rural and Semi Urban areas manned by Graduate Veterinarians (3) Veterinary Hospitals in Semi Urban and Urban areas manned by Senior Graduate Veterinarians and (4) Veterinary Poly Clinics at District Level manned by Veterinarians having post graduate qualification in Clinical / Para Clinical subjects. The Veterinary Hospitals and Veterinary Polyclinics act as referral hospitals for treating Livestock that require critical Medical Surgical and Gynecological Interventions. The Veterinary Poly Clinic also take up training Programme to Veterinarians / Para Veterinarians and Farmers in areas of Livestock Management Breeding and Feeding.

2. Further reported that after introspecting the Departmental activities for the past 5 decades and visualizing the Department's role in coming 10 years, it is noticed that though the Department is providing Veterinary Services through different category of institutions, it is unable to provide the latest Diagnostic and Clinical facilities under one roof. So, the livestock owners coming to the referral Hospitals are facing much difficulty in getting quality treatment at the quickest possible time due to lack of latest Diagnostic Equipment and also delay in getting the result from the Disease Diagnostic Laboratories located at different places. In order to correct this situation, the Director of Animal Husbandry has reported that the Department plans to create Super Specialty Hospitals in strategic places in the State. In the first phase, it is planned to create Super Specialty Hospitals in place of existing Hospitals located in three regions of the State viz., Pulivendula in Kadapa District, Vijayawada in Krishna District and Narayanaguda, Hyderabad. The Government have provided funds for construction of Super Specialty Hospitals in these locations. The construction work is in progress and will be completed shortly. These Super Specialty Hospitals will be centers of Medical excellence, in the areas of Disease Investigations, Clinical and Para Clinic Sciences, Trauma care, Pet Care, Food Poisoning and Vetro legal cases. In order to run the above Super Specialty Hospitals effectively, the present staff working in these Hospitals are not sufficient. There is need to provide additional Technical and Para Technical Staff. These Hospitals will be provided with senior committed Technical Staff having experience in the areas of Clinical and para – clinical services. They will be assisted with other, Para Technical and administrative staff. Providing Technical and Para technical alone Staff may not be sufficient to run these hospitals effectively. Latest Diagnostic equipment, Lab Equipment, Surgical Equipment have to be provided for better functioning of the Hospitals. In view of the above, Director of Animal Husbandry has requested the Government for sanction of the additional staff to the three Veterinary Hospitals for up – gradation to that of Super Specialty Hospitals.

3. After careful examination of the proposal Government hereby order for up – gradation of the existing three Veterinary Hospitals at Narayanaguda, Hyderabad, Vijayawada, Krishna District and Pulivendula, Kadapa District to that of Super Specialty Hospitals duly sanctioning the following additional posts.

Sl.No.	Name of the Post	Scale of Pay	No. of Posts
